EDUCATION

The University of Nottingham Malaysia Semenyih, Malaysia
BA(Hons) in International Communication Studies *09/2023-06/2026*
Activities: Member of University Dance and Fencing Clubs

EXTRACURRICULAR ACTIVITY

Chinese Cultural Society, The University of Nottingham Malaysia Semenyih, Malaysia
Media Officer *09/2024-09/2025*

- Produced and shared bilingual promotional content in the Chinese Students' WeChat group on a weekly basis, enhancing campus engagement with Chinese cultural events and traditions
- Wrote and edited engaging copy for event posters and digital flyers featuring activities such as Chinese Orchestra performances, traditional speaking arts, and cultural board games
- Assisted in basic video editing for event highlight clips and teasers using mobile editing tools (e.g. CapCut), leading to increased visibility and participation in student-led cultural events

2025 Hong Kong Sustainable Development Public Service Program Hong Kong
Community Sustainability Coordinator *03/2025*

- Conducted field research in Kowloon City to investigate challenges in community-level waste sorting and public environmental awareness
- Designed and distributed over 100 community surveys; analyzed resident feedback using SPSS to identify key barriers to effective recycling practices
- Co-developed a policy proposal advocating a "Smart Recycling Station + Eco-Point Incentive System," utilizing IoT technology to improve recycling rates and civic participation

CUHK Global Leader Programme (GLP)-Applied English Teaching and Learning Hong Kong
Participant, Chinese University of Hong Kong *02/2025*

- Collaborated with peers from diverse backgrounds to design and deliver interactive English teaching modules for secondary-level learners
- Applied second language acquisition (SLA) theories to real-world classroom settings through micro-teaching and peer feedback sessions

Online Global Education Program(Remote) Ningbo, China
Volunteer Chinese Language Instructor 07/2024-08/2024

- Created 5 original Chinese language lessons taught in English, tailored for primary and middle school students in Kenya, Nepal, Sri Lanka, Bali; lessons reached 200+ students via the online platform
- Collaborated with other international volunteers to design course material and adjusted it based on feedback from local coordinators; achieved "Outstanding Volunteer" recognition

ACADEMIC RESEARCH

A Mixed-Methods Study on Indigenous Media Representation Semenyih, Malaysia
Course Project for Research Culture, Film & Media *xxxxx*

- Conducted a survey and analyzed 120+ valid responses using SPSS to uncover how different demographic groups perceive Indigenous Australian culture
- Analyzed social media engagement data using Google Analytics, tracking bounce rate, session duration, and traffic sources over four weeks to determine which content formats (e.g., video vs text) drove the highest user retention and interaction
- Wrote a 2,500+ word critical research paper comparing five Australian films across decades, examining shifts in Aboriginal representation through historical and cinematic analysis; received top distinction from the course professor
- Designed a visual poster campaign using Adobe Photoshop and InDesign, incorporating infographics and storytelling to raise awareness about Aboriginal heritage

Linguistics Research Project: Second Language Acquisition and Individual Differences Beijing, China
Research Project led by Prof. Meihua Liu from Tsinghua University *08/2024-11/2024*

- Completed 4-week theoretical and applied training in psycholinguistics and sociolinguistics, scoring in the top 10% of the cohort
- Wrote a paper analyzing how individual learner traits affect L2 acquisition speed, later published in an online academic conference
